EVENT PAVILION 

WELCOME

Congratulations and thank you for your interest,

Thank you for your interest in using our venue at Brantview Apples and Cider for your special day. We have put together this booklet to let you know what to expect in your journey towards booking our Event Pavilion.

Brantview Apples and Cider is located outside of Cambridge, just an hour away from the greater Toronto area. We offer a unique experience with Brantview's picturesque Event Pavilion that was built from reclaimed 200 year old hand hewn barn beams. We also include a spacious dance floor, rustic string lighting, a bar, a bridal suite, dining space as well as two running washrooms. The gravel lane guides your guests down to the open parking area, which is just a short walking distance away from the charming Event Pavilion.

On our 80-acre property, a flourish of beautiful apple trees and greenery will surround you, which have been cared for with love allowing for a stunning photo opportunity. Our Event Pavilion has been completed since September 2016 and events can be booked April-September. We also encourage and welcome brides to book a tour of our venue, to see first hand what our ceremony and reception space looks like.

The Event Pavilion is rented for the day of your wedding, therefore, you are more than welcome to come (or have your decorators come) in the morning of the big day to set up, and then you are able to pick up/tear down everything that may have been left, the morning after your wedding. The fine details regarding arrival times and a schedule, will be decided by you with the help of our event coordinator in order to suit your needs.

Please feel free to contact us with any questions, and to set up a consultation to discuss in detail. The Howell family will work directly with you every step of the way to make your special day one to always remember.

ABOUT US

Brantview Apples and Cider has been owned and operated by the Howell Family since 1821. Our ancestor, Isaac Howell was granted the land in southern Ontario following the war of 1812 and we have resided here ever since.

Our passion for locally grown fruit, has kept us in the apple business for over a century. The orchard blossoms in mid-May, and is a sight to see throughout the summer and into our harvest season. During September and October we are open to the public for our, pick your own apples experience.

In addition, to our apple orchard, we branched out in 2016 and created two sister companies; Brantview's Events Pavilion and Howell Road Cider Co.

Brantview's Events Pavilion has been a dream of the Howell family for a long time and it is located in the heart of our flourishing apple orchard. The rustic event space is equipped with a reception hall, harvest tables, chairs, a bridal suite, a kitchen prep space and washrooms. The Events Pavilion can be rented for a variety of events, including; weddings, birthdays, retirement parties, anniversaries, etc. If you are interested in booking an on site tour and consultation, please email inquiries to info@brantviewapples.ca

Howell Road Cider Co. is our hard cider company. It is produced onsite with our apples, that are grown here at Brantview. Our flagship at Howell Road Cider Co. is an off-dry cider which is made in small batches. In our full day event price, a hard cider toast is included for you and your guests to enjoy.
